

University of Nebraska – Lincoln

Coronavirus Response and Relief Supplemental Appropriations Act (CRRSAA) Final Reporting Requirements for Quarter Ending: June 30, 2021

CRRSAA Background

The Higher Education Emergency Relief Fund II (HEERF II) is authorized by the Coronavirus Response and Relief Supplemental Appropriations Act, 2021 (CRRSAA), Public Law 116-260, signed into law on Dec. 27, 2020. In total, the CRRSAA authorizes \$81.88 billion in support for education, in addition to the \$30.75 billion expeditiously provided last spring through the Coronavirus Aid, Recovery, and Economic Security (CARES) Act, Public Law 116-136.

The CRRSAA requires that an institution receiving funding under section 314(a)(1) provide the “same amount” in financial aid grants to students from the new CRRSAA funds that it was required or which it would have been required to provide under its original CARES Act Student Aid Portion award.

the CRRSAA requires that institutions prioritize students with exceptional need, such as students who receive Pell Grants, in awarding financial aid grants to students. However, students do not need to be only Pell recipients or students who are eligible for Pell grants. In addition, the CRRSAA explicitly provides that financial aid grants to students may be provided to students exclusively enrolled in distance education. Institutions may not (1) condition the receipt of financial aid grants to students on continued or future enrollment in the institution, (2) use the financial aid grants to satisfy a student’s outstanding account balance, unless it has obtained the student’s written (or electronic), affirmative consent, or (3) require such consent as a condition of receipt of or eligibility for the financial aid grant.³ Institutions should carefully document how they prioritize students with exceptional need in distributing financial aid grants to students, as the Department intends to establish reporting requirements regarding the distribution of financial aid grants to students consistent with section 314(e) of CRRSAA. 9.

The expanded use of funds authority under the CRRSAA also applies to unexpended CARES Act funds: For their Institutional Portion CARES Act grants (CFDA 84.425F), institutions are able to use their remaining funds in the same way they are allowed to use their supplemental Institutional Portion funds under the CRRSAA. For their Student Aid Portion CARES Act grant (CFDA 84.425E), institutions may use their remaining funds to provide financial aid grants in the same way they are allowed to use their supplemental Student Aid Portion funds under the CRRSAA, including by providing such grants to students exclusively enrolled in distance education.

Student Allocation at the University of Nebraska-Lincoln and Nebraska College of Technical Agriculture

Institutions did not need to apply if received CARES Act funding. On January 17, 2021, Nebraska received the award notification authorizing funding of an additional \$7,814,350.00 to award emergency grants to students at UNL and NCTA under CRRSAA (a)(1).
