

## ENVIRONMENTAL HEALTH & SAFETY

*We are committed to promoting a culture that prioritizes safe workplaces, prevention of injuries, and environmental responsibility while actively advancing the university's mission.*

### VALUE WE CREATE

#### **Empowerment**

We ensure that the campus community has ready access to effective information, guidance, feedback, and tools to make safe and responsible decisions.

#### **Connections**

We forge strong relationships that serve as a vital bridge between the campus community and external regulatory bodies. We work efficiently and strategically to eliminate obstacles in support of the university's mission.

#### **Compliance**

We establish compliance programs that are reliable, transparent, and customized to the university's unique needs.

### HOW WE CREATE IT

#### **Expertise**

We develop a highly knowledgeable team, dedicated to expanding their skill sets. Collaborative efforts within our staff drive ongoing improvements in the services we offer to the campus community.

#### **Adaptability**

We utilize our resources in a manner that best meets the dynamic needs of the campus community. Flexibility is our strength, allowing us to embrace new opportunities and respond effectively to challenges.

#### **Integrity**

We conduct ourselves with unwavering honesty, ethical standards, and transparency. Our integrity forms a foundation of trust with our employees and the community we serve.

#### **Innovation**

We partner with the campus community to explore creative solutions and harness new technologies that enhance the services we provide. Ingenuity fuels our commitment to continuous improvement.
