

# University of Nebraska—Lincoln City Campus Landscape Services Pedestrian Snow Route Map

-  Priority route for students that live on campus during UNL Winter Break. Snow removed along these routes when over 2" of accumulation.
-  Accessible route, adjacent property owners to clear snow in this area.
-  Accessible route, first priority route for clearing snow during UNL Winter Break. Snow removed along these routes when there is over 4" of accumulation.

Please note: The remaining walks that are not highlighted aren't cleared during UNL Winter Break unless they're adjacent to city streets. These are second priority routes for snow clearing and are evaluated individually when there is over 6" of accumulation.
