

Power of Parenting

www.yourpowerofparentingurl

This project is supported in whole or in part by Grant #93.243 under the Strategic Prevention Framework-Partnership for Success Grant from the Substance Abuse and Mental Health Services Administration Center for Substance Abuse Prevention through the Nebraska Department of Health and Human Services and Region 6 Behavioral Healthcare.

Power of Parenting

Your input matters!

As your son or daughter transitions to college life, you can communicate your expectations and encourage them to think through outcomes of the choices they make. Parents can also impact misperceptions about college life, including alcohol use, while providing information about resources available on campus.

Visit the Power of Parenting Website at www.yourpowerofparentingurl to learn more about the drinking culture in college and how to talk with your young adult about alcohol use.
