

Course Worksheet: Accelerated Master's Program

Office of Graduate Studies | University of Nebraska-Lincoln

Instructions

Accelerated Master's Programs enable current undergraduate students to get an early start on graduate study via established pairs of bachelor's-master's degree programs at the University of Nebraska. This worksheet is to be filled out by the undergraduate student, signed by the undergraduate advisor, and then uploaded by the student as part of the [Application for Admission](#) to the accelerated master's program.

For best results complete this form using Adobe Acrobat (free Reader or other); web browsers or other software may ignore some features.

Academic Programs

Proceed with this form only if your current bachelor's program and your intended master's program are on [Accelerated Master's Programs](#) as an established Accelerated program pair, you meet that pair's eligibility criteria, and you have identified one or more of its designated grad-level courses that you want to take prior to your bachelor's degree graduation to count toward both degrees.

Bachelor's degree in progress: <i>"Current Academic Program" as on your MyRED Academics page</i>		Future master's degree: <i>What you'll select on the Graduate Application for Admission</i>	
Program		Program	Graduate
Degree		Degree	
Catalog Year		Catalog Year	Not applicable
Major		Major	
Option		Specialization	
Bachelor's graduation expected in: <i>Courses below must be no later than this term.</i>	Term Year	Applying for master's admission for: <i>This should be the next term after your bachelor's graduation (optionally skipping summer).</i>	Term Year

Graduate Coursework Prior to Completion of the Bachelor's Degree

List the courses, selected strictly from your Accelerated Program's designated course list, that you intend to take prior to receiving the bachelor's degree and count toward both your in-progress bachelor's degree and your future master's degree.

This is for advising/planning only; student timelines and course offerings are subject to change.
