

Vision and Mission of the Department of Entomology University of Nebraska – Lincoln

(June, 2019)

Our Vision:

The UNL Department of Entomology will lead in innovative discovery, education, and service to Nebraska and the world.

Our Mission:

- *We are Nebraska's authority in entomology.*
- *We improve lives in Nebraska and the world through globally relevant and outstanding research, extension, and teaching.*
- *We succeed through a collegial, inclusive, enthusiastic department where we value respect for all, work/life balance, team and multidisciplinary collaborations, and shared accomplishments.*
