

# SHOW UP! SIGN UP! LEVEL UP! *Get Involved!*

Student Involvement wants you to **Get Involved**. We can help you find your community, discover endless opportunities and experiences outside the classroom, and equip you to make a difference on campus and beyond! All it takes is three simple steps to take advantage of your Husker experience.

**Show Up!** Whether it's a big event or a small gathering, mark it on your calendar, invite a friend, get out, and go. Campus events are great places to meet others, take a study break, and experience the vibrancy of campus.

**Sign Up!** Don't be afraid to put your name on the list for that club, that team, or that group. Get involved in something you are passionate about, or even something you've always been curious about.

**Level Up!** Because the most important project while at UNL is YOU! Take on a leadership position in your club, expand your mind and your views, and make a difference on campus and in the community so you can be the best version of yourself.
