

UNIVERSITY OF NEBRASKA - LINCOLN TOBACCO FREE MAP

Map Legend

- The area outlined in red represents the Campus boundary as well as the private properties that have opted to be included in the tobacco free zone. This is the Tobacco Free zone. The City of Lincoln Parks Advisory Board has declared Centennial Mall between R Street and P Street to be a tobacco free zone.
- The properties outlined in blue are private properties that have not opted into the tobacco free zone. Please be respectful and do not use tobacco in and around their property unless you are an invited guest/customer with permission to use tobacco products.

Note: This map will change periodically.
