*A Letter from  
2022-2023  
UNLWC  
President  
Karen Buckley*

Dear UNLWC members,

Welcome to a new club year of exciting activities, friendship and opportunities to aid UNL students with scholarships, Husker Pantry donations and other services. I am very humbled to serve as president of an organization that has quickly become an important part of my life. I value all the friendships I have made and look forward to meeting more members.

Founded in 1894, UNLWC continues to be a vibrant organization, with a myriad of activities and opportunities for its members. Last year as we experienced a variety of in-person and virtual activities, it was very special being together. Even during the COVID shutdown, UNLWC members found ways to stay connected and fulfill our mission "to promote friendship among members, to strengthen their bond of common interest, and to provide service to the University including funding scholarships."

Please look through the newsletter and explore the many offerings to members. I hope you join us whenever possible. Our first event is the Fall Welcome at the home of University of Nebraska President Ted and Lynda Carter. UNLWC members are guests of the University of Nebraska President's Office. If you have friends or associates interested in the Women's Club, please encourage them to join before August 31st so they will receive an invitation to the special event. For only \$25 in dues, new members support UNL and its students and may attend all our UNLWC events, including the Fall Welcome, Fall Tour, Fall Brunch, General Meetings, Interest Groups and our Spring Luncheon.

Our website ([www.unl.edu/womensclub](http://www.unl.edu/womensclub)) is a great source about our organization, and we also have brochures for prospective members. Newcomers and Friends continues to meet throughout the summer, so that could be an opportunity to introduce guests to our club.

Thank you for allowing me this opportunity to serve UNLWC. My deep gratitude to all who are serving on this year's board and to those who have served on previous boards.

### Mission Statement of the UNL Women's Club

The purpose of the University of Nebraska-Lincoln Women's Club is to promote friendship among members, to strengthen their bond of common interest, and to provide service to the University including funding scholarships. Membership is open to any person who is interested in the activities, well-being and continuance of the University of Nebraska and the UNL Women's Club.

### **In Case You Are Wondering.....**

**Why Carpool?** In order to keep the cost of the Fall Tour as economical as possible, carpooling will be used this year. If we were to lease a motor coach, the cost per member would be \$65. By carpooling for the 50-mile roundtrip, the cost per member is \$30. This includes Museum admission, private tour with guide, gratuities, lunch, and private dining room. Riders will be asked to pay \$3-\$5 for gas.

**What Are We Having for Lunch?** "Build Your Own Sandwich Bar" Assorted meats and cheeses with variety of breads and rolls, lettuce, tomato, onion, and condiments. Comes with potato and pasta salads and variety of potato chips. Lunch is served with water and iced tea.

## Fall Brunch

The Fall Brunch will be held in the Williamsburg Room at The Landing, 3500 Faulkner Drive, Lincoln, on **November 9, 2022**. We will gather at 10:30 with brunch being served at 11:00 and entertainment following. More information with the reservation form will follow shortly.

## *Interest Groups*

### *New Arts and Crafts Group to Form*

Are you interested in joining the newly formed Arts and Crafts interest group? Anita Hall will be organizing this group and is looking for excited UNL Women's Club members! You don't have to be an expert in making crafts but only an interest in the arts and everything that it involves. This could include but is certainly not limited to visiting art galleries, exploring the many "make and take" businesses in town and getting to know the talents of our club members.

If you are interested, please email Anita Hall. She will be sending out an online survey later in the summer to get your thoughts as to what you would like to see in this new group. Thanks!

## *UNLWC Newcomers and Friends Continue to Have Fun*

Newcomers and Friends meet for coffee every Wednesday morning. The places vary due to the weather but now are most often at Holmes Lake. You will find them with their folding chairs and favorite beverages by the children's playground. They have also met at local coffee houses and enjoyed a morning at the Lincoln Children's Zoo. Please know that everyone is invited! The conversation is lively, and you are always welcome with open arms.
